

REMARKS

In view of the earlier Restriction/Election requirement with respect to this patent application, Applicants hereby cancel the unelected claims 5-15 without disclaimer of the underlying subject matter or prejudice against presentation in a subsequent divisional patent application. Accordingly, claims 1-4 remain pending in the application.

Reexamination and reconsideration are respectfully requested in view of the following Remarks.

35 U.S.C. § 102

The Office Action rejects claims 1-4 under 35 U.S.C. § 102(e) over Huang et al. U.S. Patent 6,914,842 (“Huang”).

Huang has an earliest filing date of 3 July 2003.

The present application claims priority from Korean patent application 10-2003-0011683, filed on 25 February 2003. The subject matter of claims 1-4 was disclosed in that patent application. Applicants enclose herewith a Verified English Translation of Korean patent application 10-2003-0011683, together with a Statement that the translation is true and accurate.

Therefore, Applicants respectfully submit that Huang is not prior art for claims 1-4 for the present patent application.

Accordingly, Applicants respectfully request that all rejections based on Huang be withdrawn.

CONCLUSION

In view of the foregoing explanations, Applicant respectfully requests that the Examiner reconsider and reexamine the present application, allow claims 1-4, and pass the application to issue. In the event that there are any outstanding matters remaining in the present application, the Examiner is invited to contact Kenneth D. Springer (Reg. No. 39,843) at (571) 283-0720 to discuss these matters.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies to charge payment or credit any overpayment to Deposit Account No. 50-0238 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17, particularly extension of time fees.

Respectfully submitted,

VOLENTINE FRANCOS & WHITT, P.L.L.C.
